I hereby consent to medical treatment for myself. I authorize payment to be made directly to Dr. Silvers. I understand that I am financially responsible for any services deemed not covered by my insurance. Deductibles, co-pays, and co-insurance payments are due at the time of service, while membership fees are annual. If I fail to make payments for services rendered, I am financially responsible for any and all costs and fees relating to the collection of my debt. Many insurance companies require a referral when a patient sees a specialist. I acknowledge that it is my responsibility to obtain a referral from my primary care physician (if needed by my insurance company) before all visits at Gardens Neurology. If proper referral is not obtained, I will be responsible for the all payments. Also, many insurance companies are part of a larger network and provide a greater benefit when the patient sees an in-network physician. I acknowledge that it is my responsibility to find out if Gardens Neurology is part of my insurance network and how my claim will be paid whether or not it is the case. For an out-of-network claim, I will be responsible for the balance after my insurance company's payment.

Gardens Neurology – Consent for Treatment and Release Information

I authorize Gardens Neurology, PLLC, use and disclosure of all individual identifiable personal health financial and demographic information (known as Protected Health Information or PHI) for the purpose of:
Providing medical treatment, obtaining payment and reimbursement, obtaining authorization from my insurance for tests (where required), requesting healthcare services from other providers, cooperating with other providers in my medical care, fulfilling request for information when specifically authorized by me, as well as doing all other things directly related to providing healthcare to me.

This purpose and all other uses are known as collectively Treatment, Payment, and Other healthcare options (TPO). I authorize any physician or healthcare facility to provide upon request any PHI to Gardens Neurology for the TPO.
I consent to Gardens Neurology discussing any or all of my medical care including evaluation, treatment, diagnosis even if related to psychiatric or psychosocial impairments, substance abuse, AIDS, HIV related infection or pregnancy with:

1. _____ Relationship:_____
2. _____ Relationship:_____
3. _____ Relationship:_____

I have been given the opportunity to review Gardens Neurology's Privacy Notice in the waiting room

By signing below, I consent to Gardens Neurology leaving messages on my answering machine (unless otherwise requested)

I understand my rights to restrict the use and discloser of PHI and to revoke this consent at any time in writing

I understand that should I choose not to consent to the terms & conditions of Gardens Neurology's Privacy Notice, the practice has the right to and will withhold treatment except where required by law.

A note to new patients regarding potential membership enrollment and information:

Since all new patients fill out these forms, it is impossible for us to predict whether your medical needs and neurological issues will be resolved in the next appointment or within the next few weeks, month or year. Our dedication is such that we will provide you with the best medical services regardless of whether you are a "one timer" or become a life-long patient. Once you are an established patient, and your plan of care has been determined and presented to you by Dr. Silvers, you will be given the opportunity to remain a patient in our practice, therefore continue to receive care from Dr. Silvers, for an annual membership fee, or choose to go elsewhere for your follow-up neurological care. This membership provides patients access to our office, staff, providers along with many enhanced benefits. If you choose to remain in our practice, an annual membership fee will apply and an agreement, along with all enhanced benefits, will be presented to you for your review. If you choose to go and seek treatment from another neurologist, your new patient chart will be sent to the doctor of your choice upon receiving an official request from you. This transfer of records will be at no additional cost to you.

The Health Insurance Portability and Accountability Act of 1996 prohibits the use and discloser or protective health information for treatments, payments and other healthcare operations without a signed consent, and prohibits the use and discloser of protective health information for non-healthcare related activities without specific and explicit authorization.

Gardens Neurology - Statement of Patient Financial Responsibility and Payment Policy

Patient Name:_____**DOB:** _____

Thank you for allowing us to treat you for your neurological needs. As payment for these services are required, you are obligated to ensure payment of our fees in full (ie, copays, coinsurance, deductibles, membership, etc). As a courtesy, we will verify your coverage and bill your insurance carrier on your behalf but please remember that **you are responsible for your insurance policy**. You are ultimately the one who is responsible for verifying benefits and for payment of your final/entire bill. **Due to many changes in insurance policies, we cannot be responsible for interpreting each individual policy. It is your responsibility to know your individual coverage and its limitations, as well as who is a provider for your plan. We urge you to check with your insurance company regarding your benefits because failure to comply could result in you, the patient, being responsible for all costs incurred.** Please remember that your insurance policy is a contract between you and your insurance company. It is your responsibility to know or find out, whether or not we are providers for your specific network. Membership fees are NOT covered by insurance.

Referrals

If you need a referral from your primary care doctor or from your insurance company to be seen in this office, the referral must be present prior to your visit and it is your responsibility to obtain one. Consequently, you will need to reschedule your visit should a referral not be available and a cancellation fee will apply. If you find out after your visit that a referral was necessary, you will be responsible for full payment if your insurance fails to pay us due to lack of such referral authorization. We welcome you to call and have your primary care physician fax their referral to us at 561-429-3184.

Co-Pay Policy

Some health insurance carriers require the patient to pay a co-pays. It is expected and appreciated at the time the service is rendered for the patients to pay each visit's copay. Because we are specialists, some diagnostic procedures are not considered part of your office visit co-payment and may be applied to your deductible and/or co-insurance. Please call your insurance company and learn about your coverage. It will save unnecessary out of pocket expenses.

Cancellation / No Show Policy

We understand you may miss an appointment due to various circumstances. However, you must call more than 24-hours prior to your appointment time if you need to cancel or reschedule. Failure to do so will result in a $75 no-show fee. We **always** attempt to confirm in-person, therefore if the appointment was not confirmed with you, we might give the time slot away to a waitlisted patient. We make multiple attempts, by phone text and email, to confirm so please contact us back to confirm and honor your scheduled appointment. Remember, the appointment was your choice of date and time.

Self-Pay

I do not have health insurance and will be responsible for services rendered by the staff at Gardens Neurology. You agree to pay Gardens Neurology, the full and entire amount for the consultation and treatment given at each visit. If Gardens Neurology is not a provider for your insurance company, or you choose to pay out of pocket, you will be considered a self-pay patient and we will collect our fee in full at the time of service.

I have read the above policy regarding my financial responsibility to Gardens Neurology, for providing services to me or the above-named patient. I authorize my insurer to pay any benefits directly to Gardens Neurology, the full and entire amount of bill incurred by me or the above named patient; or, if applicable I promise to pay in full any amount due (remaining balance) after payment has been made, or denied, by my insurance carrier. This financial responsibility form supersedes any prior writings which are now null and void and are no longer in effect.

NOTICE OF POLICY – CONTACTING DOCTORS OUTSIDE OF REGULAR OFFICE HOURS

Our providers and staff are here to assist you during business hours. During the regular work-week, the office is open from 9 am – 4 pm Monday through Thursday, and 9 am – 2 pm on Friday. Hours may vary from one provider to the next and during federal holidays and personal time off. Patients are encouraged to contact the office staff at any time, during business hours, with any questions and/or concerns that they may have. We recommend that all patients monitor their medications so they do not run out and require refills during a time that the office is not open for business.

OUR OFFICE PHONE NUMBER IS 561-799-2831

Outside of regular business hours, or on weekends and holidays, patients may call the office number and leave a detailed message on the answering machine. All messages will be handled during the next business day. A message through the portal (see below) is another option to establish contact over the weekend.

FOR EMERGENCIES CALL 911 FIRST AND FAST

If you have an urgent medical concern that arises outside of our business hours, you may either 1) contact your primary doctor, 2) go to the nearest urgent care center or 3) go to the nearest hospital. Do not hesitate to seek immediate medical care. You should follow up with us during the next business day if it was recommended that you resume your care with a neurologist.

I, the undersigned, read this notice and verify that I will respond as explained above.

YOU'RE INVITED!

You may join our patient portal at any time. It is another way to communicate with our office 24/7. This may be a more convenient option to get in touch with us online. Once you are an established patient, a message will be sent to your email on file asking you to sign in to the portal. We recommend that you use this portal as a last resort and encourage you to always call our office first with any questions, issues and/or concerns.
